Spiritual Education & Enrichment Week 2018

July 22 - July 26 | Monday - Friday | 8:30 am - 10:20 am

HTS 105 - Metaphysics 1

Rev. Jeanmarie Eck

The first phase for becoming a “metaphysician-practitioner” is learning the fundamental Principles. This course encourages students to enter into that awareness and understanding so they can apply the principles in everyday life.

SPD 115 - Self-Care | Rev. Mindy Lawrence Curtiss

Self-care involves making choices that reflect a consciousness of well-being. As we become aware of the care of our mind, body, and spirit, we discover that when we are our best self, we make contributions to our family, or communities, and our world consciously.

SCS 100 - Bible Overview: Hebrew Scriptures

Cris Perez, LUT

The Hebrew Scriptures (known as the “Old Testament” in the Christian world) are at the root of three major world religions—Judaism, Christianity and Islam.

July 22 - July 26 | Monday - Friday | 10:40 am - 12:30 pm

SPD 120 - Discerning Your Purpose

Rev. Robert Brumet

What the world needs most is you – you, living authentic purpose, doing what only you can do. We will examine ways you can discover and fulfill your unique mission in this life.

SPD 100 - Unity Prayer

Rev. Karen Tudor

The Unity way of prayer is ultimately aimed at experience of the Divine and Realization of the practitioner’s Divine Potential.

HTS 140 - History of New Thought and Unity

Rev. Shirley Knight

The History of New Thought & Unity explores the origin and development of the ideas, beliefs and practices that characterize the New Thought movement.

July 22 - July 26 | Monday - Friday | 2:00 pm - 3:50 pm

Elective - Living Originally | Rev. Robert Brumet

Living Originally introduces you to ten spiritual practices which will enable you to live a truly original life - a life lived from the origin of your being. We will explore and engage the five Foundational Practices which create the basis for living in an authentic and creative way.

HTS 100 - Foundations of Unity | Rev. Michael Gott

Building consciousness, knowledge and skills in any endeavor begins with learning the foundational principles. This course is designed to be the first course students take when embarking upon any of the Unity Worldwide Spiritual Institute’s learning paths.

HTS 110 - Metaphysics 2 | Rev. Jeanmarie Eck

This course explores some of the more complex metaphysical concepts such as Oneness and creation, as well as offers a Unity perspective on terminology that is commonly used by much of mainstream Christianity.

July 21 - 25

Sunday/Monday/Tuesday/Thursday | 6:00 pm - 8:30 pm

SCS 125 - The Quantum Christ | Rev. Sheila Gautreaux

Students will experientially engage their own beliefs about “Jesus Christ” and the Christ idea, using the Bible as the primary text.

SCS 115 - Bible Interpretation: Acts to Revelation

Rev. Jean-Marie Schweizer

Unity’s “maieutic” and metaphysical approach to interpreting scriptures aims to help the interpreter cultivate self-knowledge and make contact with the Higher Spiritual Self, commonly called “Christ within” and “Christ consciousness.”

Elective - Labyrinth Meditation

Dr. Mary Fehr, LUT Candidate

Explore the depths of the history and mystery of the labyrinth as a form of meditation and devotion, beginning almost 4,000 years ago. Experience the labyrinth for yourself and open your heart to its transformative power.

S.E.E. credit not available for this course.

Rev. Robert Brumet will be presenting

Insight Meditation Retreat

**Cost: \$80 - Includes Lunch | Pyramid
Purchase Tickets online or in the Bookstore**

Insight Meditation liberates us from the bondage of our conditioning. Through moment-to-moment awareness of the body-mind process, the mind gradually sees more clearly into the nature of itself. Such clear seeing leads to freedom from attachments and allows you to open to a path of wisdom and compassion. This practice, also known as vipassana, originated 2500 years ago with the teachings of the Buddha and is still a vital part of the Theravada Buddhist traditions of Southeast Asia.

Beginners and experienced meditators alike are invited to join us. Periods of sitting and walking meditation will be practiced in the silence. Instruction and a dharma talk are also included.
